

## WHAT IS IT ?

- The premiere mentors program connecting federal, state and local government professionals
- Blended approach that leverages in-person and online components
- Interagency mentor-mentee pairings
- Competitive program with 75-100 pairings each year
- 6-month program, offered once per year from April through October

## WHO PARTICIPATES ?

60% inside the beltway

40% outside the beltway

"If it were not for the GovLoop mentoring program I probably would have left federal service. I don't know if I can ever thank you enough for the excellent work you do very selflessly to support those in government."

- Mentee Participant

## HOW TO APPLY
